Why do you want to join EDC

i want to join edc bcoz i think i can be a gud entrepreneur, bt i will need to hone my skills for that..for that i need the guidance which i will get in this group only. i have experienced the magic of EDC while i participated in BUSINESS BAZIGAR..after that event I got the feeling that i can earn money from scratch, which i didnt dare to think before participating.so, I think I must join this group so i can get those feelings again which make me stronger from inside...

What other activities are you a part of?
