

Entrepreneurship Development Cell, IIT Roorkee
Recruitment (zeppelin)

Name	Satwik	
Branch	Integrated Physics	
Email	vyas.satwik1@gmail.com	
Phone	09450310235	

Why do you want to join EDC

I feel that I have a competency and a vision to develop and implement business and entrepreneurship plans. I am very motivated and keen to work continually, striving to accomplish the best. Since I sense my inclination toward being an entrepreneur, there exists no better platform than EDC IITR to help me realise my dreams. I try to work out and craft various innovative B-Plan which I'm sure can be implemented successfully under the able guidance of EDC members.

What other activities are you a part of?

On campus I am involved in the following groups and activities: 1-Cognizance 2011: I am the event coordinator for an event called Physics Mindbenders under the department of physics IIT ROORKEE. 2: I am a very active member at the Star Gazing section of IITR and am currently working on a Radio Astronomy Project. 3: I was the part of the Aero-modelling Workshop 2010 and successfully built our own Line control Aeroplane. 4: Involved in Prerna cell of NSS IITR. 5: Apart from these I spent my time working on various B-Plans and attended numerous workshops under the EDC banner.

Strengths/Skills

I am not very adept in web designing or programming but I possess good persuasive and communication skills. I am highly determined and hardworking, and to the furthest extent possible, painstakingly try and convince concerned people about my ideas and visions.
