Why do you want to join EDC

was much fascinated by the various events organised by EDC and was much impressed by the kind of business friendly environment you guys are providing in the campus. Being in EDC one can get exposure to real world problems in starting or continuing a venture. Moreover EDC members also get an eminent chance of face to face interaction with business personalities who can always acts as a source of inspiration for an undergrad like us. Organising any event under EDC also imparts the sense of responsibility and team work which always prove to be helpful in future stages of life.

What other activities are you a part of?

not involved in any other group. Co-founder of a new venture named iitianfunda.

Strengths/Skills

has a basic understanding of HTML and PHP and has improved a lot on the communication side over the last few months.
