Why do you want to join EDC

i dont like being told what to do by people who are less capable than i am. I like to take my own decisions. i like being creative. the autonomy and challenges in life associated with entrepreneurship attract me. EDC is a non- "poli" group i suppose.

What other activities are you a part of?

nowhere. didnt appear in any recruitment except "share".

Strengths/Skills

poster designing i believe i'll do . web development-no i dont know. what is special in communication?
