Why do you want to join EDC

thats a intriguing question.....there are many a times when u and some of ur friends brewing coffee start discussions on certain topic....and suddenly u get an aficianado for that...but due to certain constraints ur plans get nipped in the bud.....so i think this is the time for rejuvenation.....and u can't ever deny this excruciating urge....but what i need is a platform....similar mindsets....and thats edc...

What other activities are you a part of?

ASME,SAE,litsec

Strengths/Skills

i am intrested in writing and i am quite good at it too.....so i think i can prove out to be an asset in this sector.....
