**Why do you want to join EDC**

EDC is one of the biggest group of IIT which initiates and boost entrepreneurship skills of an individual. As I am deeply interested in starting up my own business and EDC is the only group which develops entrepreneurship skills. So being well aware of the fact that this group only can help me to develop my business skills and help me to become an entrepreneur. Also the guest lectures and competitions conducted by this group are really interesting. As in individual every one wants to be a part of a group which conducts such good events. That's why i want to join. At end i admit the fact that EDC simply ROCKS and i want to rock!!!!

**What other activities are you a part of?**

GEEK GADZETTE MAGAZINE-Finance Cell.

**Strengths/Skills**

I think my communication skills are good as i can convince people most of the time. Also i am good at poster making(manual) and know some amount of sketching. REST I AM TRYING HARD TO LEARN OTHER SKILLS.
